2. Estimates & Quotations

All quotations provided are free and valid for 30 days unless stated otherwise. Prices may vary based on material costs, scope changes, or additional work required upon site inspection.

3. Payments & Invoicing

Full payment is due upon completion unless otherwise agreed in writing. We accept various payment methods, and all invoices will clearly state the agreed terms. Late payments may attract a small administrative fee.

4. Cancellations & Rescheduling

5. Warranty & Liability

We guarantee our workmanship and materials under standard warranty terms. However, Live N Earth Electrics shall not be liable for issues resulting from external interference, misuse, or work performed by third parties after completion.
